

Air Racer - Zamperla

Details

Brand new Air Racer 6.4 by Zamperla available for sale!

This high-flying thrill ride lets guests take control of their own flying adventure, with the ability to tilt, spin, and swoop through the air. Perfect for all ages, it offers an exciting experience with a smooth, dynamic ride motion that delivers fun and excitement with every rotation. The compact design makes it an ideal addition to parks with limited space, while its stunning visuals and action-packed movement make it an attention-grabbing centerpiece.
