

Giant Wheel R40 - Dutch Wheels

Details

Giant Wheel R40 SP from Dutch Wheels available for sale!

Giant Wheel acts as a great landmark and a tourist attraction, while providing exceptional passenger experience and a great view of the surroundings.

It is a park model requiring foundation, but the components can be shipped in containers and the wheel can be assembled and disassembled in a relatively short time. Operating the wheel is simple as is maintenance, and it is capable to deal with extreme climate conditions.

Completely refurbished - in 'as new' condition.
