

Volare - Zamperla

Details

Volare roller coaster by Zamperla available for sale!

Volare is a flying coaster from the Italian manufacturer. The ride features a 391 meters of track with "flying gondolas", where passengers are placed in a lying-down, head-first position to experience a sense of flying. The ride has 6 single-car trains with 4 seats in each.

Relatively low operational hours as the ride has been in seasonal use only.

More information available upon inquiry.
